Task 9. Here, find at least 8 bugs and write the names of the bug reports that you would file.

1. The "prive" button is not localized when using English localization.

2. The "Done" column is not aligned relative to the cards in it.

3. Menu section icons are shifted.

4. The name of the menu section "Filter Cards" differs in bold font from other sections.

5. The name of the Invite field has been moved, in the main menu.

6. The "Add a card…" button is displayed incorrectly on the columns.

7. The button to add columns is in the header.

8. The incorrect icon of the "Information" button is displayed in the header.

9. Only avatars of other users are displayed in the Menu.

10. The "Stikkers" button is displayed with a typo.
